Ordering through our Album Print program gives you the flexibility of ordering some or all of your page layouts as full spreads without paying a premium price. Order your album prints as full spreads or as individual sides and send them to your album manufacturer to assemble. Kodak Professional Lustre and Metallic papers are available with only one paper type per order.

| 8x10 Album Prints | Lustre | Metallic |
|--------------------|--------|----------|

Details

Our Album Print program consists of five popular album sizes with both horizontal and vertical spreads. To qualify for this program, you must order at least 6 spreads of prints. This can be any combination of individual sides or spreads.
