Image Boxes

➔ ROES.whcc

Present 4x6 proofs, 5x7 proofs, or Press Printed Albums in a customized Image Box. Image Boxes for 4x6 proofs are available in three depths, 5x7 proofs in two depths, and can be ordered with a vertical or horizontal opening.

Image Boxes are also available for your Press Printed Albums in 6x6, 8x8, 10x10, and 12x12 sizes. A custom photo cover, printed on lustre or metallic photographic paper with a matte laminate, is wrapped around the Image Box allowing you to customize the cover, spine, and back. Additional cover options include a variety of fabrics, leathers, and suedes.

Select our new closure option for Image Boxes with a black elastic latch that stretches around a black screw post on the side of the box. This closure is very secure and blends in nicely with the black side of the box. Complete your Image Box with the new inside panel option. Wrap the panel in your choice of black fabric or a photo panel that gives you one more place to customize the box with imagery. The inside panel, either black fabric or photo panel, is required when a closure is ordered. An inside photo panel can also be ordered as an option without the closure.
