WHCC provides Press Printed Books and Albums that are unmatched in print quality, craftsmanship and turnaround time. All Press Book & Album covers are made with masonite to give the books a smooth, substantial feel. Custom Photo Covers are made with a Lustre or Metallic photographic print that is laminated and adhered to the masonite cover. The photo cover allows for complete customization on the front, spine, and back of the book using your own images and designs. With many options and configurations, we are sure to have a book or album that will be loved by your clients!

Press Printed Albums are flush mount albums with thick lay-flat pages and no middle gutter. Printed on our Indigo Digital Printing Presses, our Press Printed Albums offer more unique and affordable options compared to other flush mount and photographic albums. With our industry leading turnaround time and free two-day shipping, you can order an album Monday morning and have it in your hands on Friday!

Unique to Press Printed Albums, the inside pages are printed on either Art Watercolor, Art Linen, Art Recycled, Satin UV, Satin Lustre, or Pearl UV press paper and adhered to heavy black cardstock. This allows each spread to lay flat with a thick and rigid look and feel. Pages are printed as full spreads and not cut so imagery and design elements are not lost in the center of the book! Press Printed Albums are available in fixed lengths of 20, 40, or 60 sides (10, 20 or 30 spreads) and are available in 6x6, 6x12, 8x8, 10x10, 12x6 and 12x12 sizes.

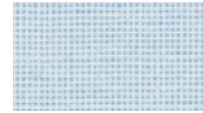

There are 3 levels of cover options available for Press Printed Albums including fabrics, leathers, and custom photo covers! An additional option is a padded cover to give your album a more traditional, high-end look. Please refer to the cover materials key.
