

WHCC's Print Fulfillment is the perfect solution for small format prints that you would like shipped directly to your client. Orders are shipped to any US address and do not include an invoice or any indicator identifying WHCC as the producer of the order and package. Print sizes up to 11x14 on lustre paper are available with matboard as a mounting option. No minimum order applies and orders are shipped via USPS with a minimal postage and handling fee.

There is no minimum order, only a \$5 postage/handling charge for USPS shipping within the United States. A \$7 shipping option will guarantee the package ships Priority Mail.

Print sizes up to 11x14 on lustre paper are available, with matboard as a mounting option. No other finishing services or paper surfaces are available at this time.

Details

- Print Fulfillment orders do not include an invoice or any indicator identifying WHCC as the producer of the order or package.
- All prints have the filename and studio name on the back of the print.
- All wallet units are die cut for rounded corners.
- Corrective services such as retouching, artwork and color correction are not available.
- Once an order is submitted, it cannot be cancelled or modified in any way.
