Select binding for your proofs and receive all of your proofs bound with a spiral coil.

Large, single size print orders are perfect for WHCC's photographic proof printing printed on Kodak Endura Lustre paper. You can expect the same quality and color consistency as regular photographic printing. Proofs are available in 3.5x5, 4x5, 4x6, 5x5, and 5x7 sizes.

Enhance your proofs with borders, texture, or binding. Add a white or black border to your files in a variety of widths within our ROES ordering software. Textured proofs provide added protection against the scanning of your images. Select binding for your proofs and receive all of your proofs bound with a spiral coil. Bound Proofs are perfect for sample flip books for your studio or as a brag book for your clients. Display and store loose proofs in a customized Image Box, see page 27.

## Details

- Proofs are available with three border thicknesses in your choice of black or white.
- Quantity pricing is based upon the total number of same sized proofs in the entire order.

- Select binding and receive your proofs bound with a spiral coil. Coil available in white or black.
