

Press Printed Books

2-3 days service time

➔ ROES.whcc

Press Printed Books are available in three paper options (standard, semi-gloss hinged and pearl hinged) and several sizes including 5x5, 5x7, 8.5x11, 8x8, 8x12, 10x10, 12x12 and 11x14. Make sure to use our free sizing templates when designing your book. They are available at <http://pro.whcc.com/go/Resources>.

Covers

All press book covers are made with masonite to give the books a smooth, substantial feel. Choose from 34 cover material options including a variety of fabrics, leathers and suedes, or a custom printed photo cover in lustre or metallic. The photo cover allows for complete customization on the front, spine, and back of the book using your own images and designs. Additionally, enhance the cover of your book with a photographic dust jacket or cover foil stamping. A dust jacket is a photographic print laminated and creased to wrap around the cover of the book. It protects the cover and provides another option to personalize your book by using images, text and graphics. Cover foil stamping allows you to place three lines of text on the front cover in one of three places: the center of the book, the lower right corner, or the bottom center. Foil stamping is only available on leather covers.

Papers

Like all our press printed cards and products, press printed books are printed with the same HP Indigo printing technology with liquid inks. Book pages are printed on either 100# text weight Standard Semi-Gloss paper or 110# hinged paper in Standard Semi-Gloss or Pearl UV. The hinged paper allows open pages to lay flat as well as provides a thicker, more upscale paper option. Hinged paper can also be UV coated for added protection and a glossy look and feel. Book pages are stitched together to create the book block that is adhered to the cover using black cardstock end sheets. Books are priced as a base book with a cover and 20 printed sides. Additional sides are available for up to a maximum of 90 sides on 100# standard text paper, 50 sides on the lay-flat hinged paper and 40 sides on hinged Pearl UV paper.
